

Insurance and Tax Savings

3A

ProSport

Always in the Game. Even tomorrow.

3A ProSport is a unit-linked pension solution designed for Professional athletes who want to pay less tax, grow their prosperity intelligently, and build security.

Why 3A ProSport Stands Out

- ✓ Immediate tax deduction
- ✓ Protection in case of accident, disability, or death
- ✓ Capital growth for life after your sports career
- ✓ Fully digital subscription

Concrete Example:

For a professional football player, the average annual tax savings with 3A ProSport is around CHF 2400.–, immediately reducing taxes while building capital for the future.

Closing the Pension Gap

The 1st and 2nd pillars typically cover only 60% of your final income.

For athletes, this shortfall can pose a serious risk.

3A ProSport fills this gap and protects your standard of living.

Comprehensive Protection for Athletes

- Coverage in case of loss of earning capacity
- Protection for your loved ones in case of death
- Customizable optional guarantees
- Automatic investment rebalancing
- Progressive capital protection toward retirement

Access Over 200 Investment Options

Choose from ETFs, passive funds, thematic funds, and sustainable (SFDR) funds, with free rebalancing and automatic volatility management.

The App

- Track your capital in real time
- Full digital management
- Complete control over your contributions
- Clear view of your future pension

Total Flexibility

- Contributions adjustable or suspendable
- Access your capital up to 5 years before official retirement age (AVS)
- Advance your savings for a home purchase
- Optional guarantees tailored to your needs
- Maintenance of the plan also abroad (portability). Important advantage to maintain an active position in Switzerland even resident in another country.

3rd Pillar Contribution Limit

CHF 7258.– per year (2026), fully tax-deductible, with automatic adjustments to future legal limits
